### Winter Vacation: Nagano

I am saving money from every paycheque for this trip (29th Dec ~ 8th Jan)

Transport: Flight: Sasebo to Tokyo return (includes 1 bag) 23,960  
Bus: Shinjuku to Nagano 3,200  
Bus: Nagano to Yamanouchi 1,600  
Bus: Yamanouchi to Shinjuku (1 change) 4,800  
Smaller trains: (estimate) 3,000  
(But flights have been payed so need to save 12,600) 36,560

What to do :

Lots of Shrines and Temples FREE  
Clubbing in Tokyo 5,000  
Trip to Jigokudani Yaen Koen 800  
Disney 7,200  
Visit parks FREE  
(Still need to decide, but will keep it cheap) 13,000

Accommodation: 10 nights

Hostel: 5 nights, Hotel: 4 nights, Ryokan 1 night 47,074

Food: (same pricing as the other trip)

Breakfast x 9 (1 in ryokan): 4500  
Lunch x 10: 10,000  
Dinner x 8 (1 in ryokan and 8th eat dinner at home) 12,000  
26,450

Total: 123,084

BUT again, if you didn't do the ryokan it would make this a lot cheaper.

This is the most expensive trip I have or will do in Japan.

I will try to make the food costs lower while I am there but will save up for this amount.

Between the 9th Jan ~ 21st Jan I will do nothing as the money I have left from my paycheque will be for food and bills. But to me it is worth it.
